Dear Sir,

RE: Report on Bamba Medical Camp 25-30 July and Community Service 25 July-7 August 2022

This is a provisional report of the recently concluded Bamba Medical Camp and Community Service. It is also an assessment of how we delivered on our purpose of transforming a few lives in Bamba while appreciating those who participated in the project. In due course, we shall create a website to facilitate photos of the activities to the various donors and well-wishers who made this project a reality; in the meantime, you can visit this link: <https://photos.app.goo.gl/9TMch4pCsLrpVs4c6>
